

Do you want to take part in a study?

Impact of childhood sexual abuse on women's experience of childbearing.

What would the study involve?

An interview where we will talk about your history of childhood sexual abuse and your subsequent childbearing experiences.

Who can take part?

- Women survivors of childhood sexual assault who have gone on to give birth.
- Must be over the age of 18
- All types of delivery (vaginal, instrumental, caesarean etc.)
- Living in the UK
- Fluent in speaking English

Will my interview be confidential?

Yes.

You are under no obligation to take part if you wish not to. All information will be kept confidential and published information will have no identifiable data.

If you have any questions, please email the address below giving a suitable number to contact.
